

Regulations 34 CFR 668.43 (a) (5) (v) and 34 CFR 668.43 (c) require disclosures by institutions regarding educational requirements for programs leading to professional licensure or certification, which applies to *both* online and on-ground programs. 34 CFR 668.43(a)(5)(v) requires an institution to make readily available to enrolled and prospective students whether programs leading to professional licensure or certification meet educational requirements. The regulation requires the following:

- A list of all states for which the institution’s program curriculum meets state educational requirements for professional licensure or certification;
- A list of all states for which the institution’s curriculum does not meet state educational requirements for professional licensure or certification; and
- A list of all states for which the institution has not made a determination of whether the curriculum meets educational requirements.

A list of all states for which the Prism Career Institutes program curriculum meets state educational requirements for professional licensure or certification;

**New Jersey    Delaware    Pennsylvania**

A list of all states for which the Prism Career Institute has not made a determination of whether the curriculum meets educational requirements.
