

## **Non-Discrimination Policy**

As mandated by Title IX of the Educational Amendments of 1972, 20 U.S.C. 1681 et seq., and its implementing regulations, 34 C.F.R. Part 106, the School does not discriminate on the basis of sex in admission to or employment in its educational programs or activities.

Inquiries concerning the application of Title IX and its implementing regulations by the School may be referred to the School's Campus Director, or the Office of Civil Rights of the United States Department of Education.

Prism Career Institute is committed to achieving a prompt and equitable resolution of any student or employee complaints under Title IX. Any individual alleging noncompliance with Title IX should file a written complaint with the Title IX Coordinator, who will proceed to investigate the matter. Either the complaining party or the Title IX Coordinator can demand an administrative hearing to address the matter. The complaining party will be given a copy of the written findings of the Title IX Coordinator as promptly as possible after the investigation, and hearing, if requested, has taken place. These findings will include the Title IX Coordinator's conclusion as to whether a violation of Title IX has taken place and, if so, the remedial actions to be taken by the Institution.
